SUBMISSION GUIDELINES

Each team is able to submit up to three different pieces of work for this competition. You can use any type of media (photographs, InDesign, Photoshop, Pain, Publisher, etc) so long as you are able to turn it into a pdf in the end. Each ad must address an issue related to the prevention of drugs, alcohol, and/or tobacco. The winning team will have their piece posted on a billboard off of Hwy 218 or Hwy 1. Deadline for submission is May 15, 2008. The billboard will go up in July, 2008! Your team will further be featured in the SAFE Coalition newsletter and have your billboard piece and story put on the homepage of the www.washingtonsafe.org website!
